Dear River Valley Community Church,

I am happy to say that Teen Nite has reached out to another housing division in Aurora. We are now picking up kids from a complex called South Wind and bringing them to Teen Nite every Friday. The kids are excited and eager to be a part of our ministry. This past Friday we had an outing at Funway Skating Rink and we all had a blast.

Please keep us in prayer in these areas:

- Grace as we continue to get used to meeting at our new location at Aurora Christian School on Sullivan.
- Provision of a bus driver for our second bus.
- God's will and blessing on the ministry.

Once again, know that we couldn't do any of this without the prayers and support of others.

Your Brother in Christ,  
Aaron Malone
